TENANT OVERVIEW

100 CENTER ST

Johnson Controls — Fortune 100, strong global credit

TP&L — Key logistics provider in wind/energy sectors

MasTec — Large national infrastructure contractor

PRIME MIDWEST
LOCATION

JOHNSON CONTROLS

Johnson Controls is a world leader in smart buildings, creating safe, healthy and sustainable spaces. Johnson Controls offers the world's largest portfolio of building technology, software and services.

Supported by a team of more than 100,000 dedicated employees working across 150 countries, the company is helping customers achieve their sustainability goals and power their mission.

TP&L

Currently serving a variety of OEMs, project developers and supply companies, TP&L provides logistics and transportation management for dimensional freight such as wind power components and project cargo for a variety of industries across the entire supply chain. Since 2011, TP&L's unique one-stop-shop for logistics and management solutions has assisted more than 75 wind farms and multiple oil/gas drilling projects throughout the United States, Canada and Mexico.

MASTEC

MasTec is a national infrastructure and telecom contractor specializing in designing, building, and maintaining communications, energy, and utility networks, with a strong presence in wireless, wireline construction, and broadband modernization projects.
